

Promote YOUR Company...

This year, make sure your food gift program promotes **YOUR** company.

NOT THEIRS!

Gifts from the giant food gift companies are usually so emblazoned with their logo, that the recipient has a hard time figuring out who sent the gift.

Your logo is the first thing that your recipient will see when they open a Maple Ridge Farms gift.

In 1979, we founded Maple Ridge Farms on our kitchen table. Today, we operate out of an 85,000 square foot facility and are the largest company in the United States specializing in corporate food gift programs.

Our business has been built upon one, fundamental principle: *“Your gifts should be recognized for their outstanding quality and exceptional flavor!”* We guarantee that every gift we produce is one that you will be proud to give and would be happy to receive!

On behalf of the entire Maple Ridge Farms team, I would like to thank you for your wonderful support throughout the years!
